Parking Guide

The Downtown Synagogue is partnering with Metropolis parking to provide convenient, affordable parking. The garage is located under the City Club Apartments CBD Detroit at the corner of Clifford and Bagley. For Google Map directions to the garage's entrance, enter **167 Bagley St, Detroit.**

CREATING AN ACCOUNT:

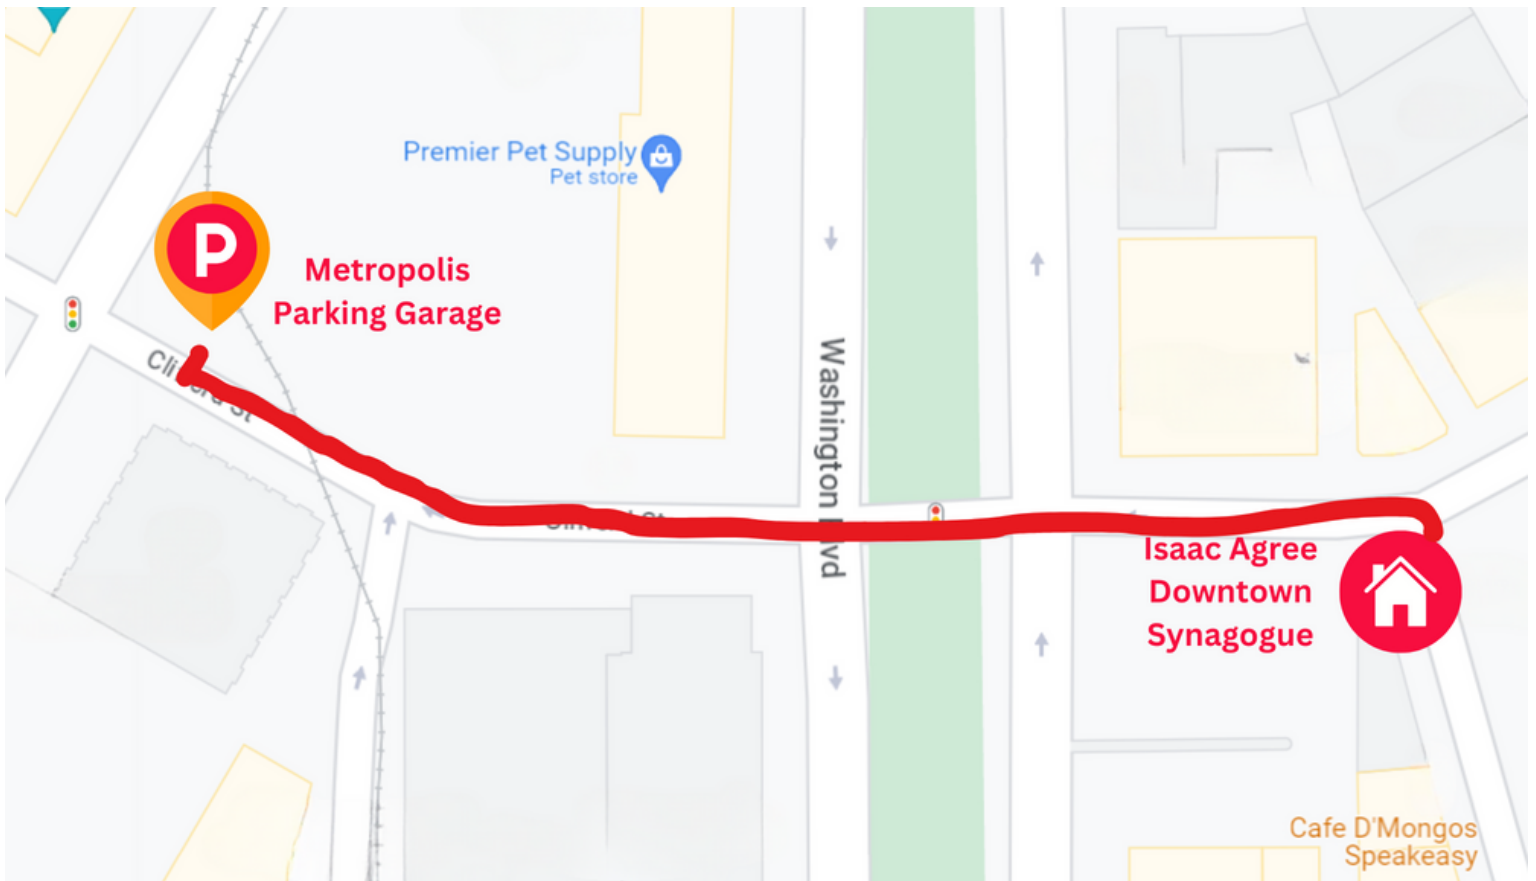

1. To register your car for Metropolis Parking, go to <https://app.metropolis.io/sign-in> and enter your cell phone number
2. You will receive a 6 digit code - enter it into the designated box
3. You will then enter your personal information (name and email) - *make sure that you check the "Terms and Conditions" box.*
4. Next register your vehicle and enter your license plate number and plate State
5. Next you will add a payment method - do not refresh your screen after entering in your payment information. There will be a \$1 authorization payment on your card that will be removed after a couple of hours.
6. Once you have entered in the payment information, make sure you press "SAVE CARD" at the bottom of the page. If your method is not authorized, please try a different card.
7. You will then be able to access your Metropolis homepage. We encourage you to add additional vehicles at this time if you know you may be utilizing the parking garage with a different vehicle.
8. To do this, click on the three bars on the top left, then click the Vehicles tab, and click the purple button at the bottom that says Add Vehicle and enter in your vehicle information (step 4).

ATTENDING AN EVENT

1. If you have already registered your vehicle with Metropolis, you will be able to drive right into the garage (located at Clifford and Bagley).
2. If you have not already registered, head to the parking garage and scan the QR code at the entrance to sign up or see registration instructions above.
3. Once your vehicle is registered and has been recognized, you will get a welcome text to your cell phone - through that text you will be able to manage your visit (this is where you set the duration of the parking session).
4. Walk over to the Downtown Synagogue where there will be a QR code at registration in order for participants to get 40% off of their parking.
5. At the end of the event (don't forget to scan the Discount QR code!) all you have to do is walk back to the garage and drive out!

WHERE TO PARK: Enter the garage and make 2 right turns at the end of each driveway. Under the main ramp is a ramp to the lower level which is where participants will park.

EXITING/ENTERING THE GARAGE (by foot): After you are parked, look for a white "EXIT" sign which will lead you to a stairwell that exits on Washington St. You will enter to get back to your car the same way you exited. The entrance back into the garage is located on Washington St next to the pet store. ***The elevator to get back into the garage has a code - 1342.***
